

Dear Community Partners,

We are thrilled to share that Saint Francis School is celebrating its 50th anniversary year with a special Golden Gala & Auction event on October 25, 2025. As you know, we are a private, K-12 college preparatory school located on two campuses in Roswell and Milton. This signature fundraising event allows us to continue to provide students with exceptional academic instruction in a supportive environment.

Our success begins with you - our valued business partners and longtime friends. As a supporter, your business will enjoy prominent recognition, including:

- Logo placement on our website
- Social media promotion
- Inclusion in our event program
- And much more!

On the evening of the auction, your logo will reach approximately 200 attendees, along with our entire K-12 school and alumni community, ensuring maximum visibility for your business.

We invite you to support this special moment in our school's history through sponsorship or by donating products, services, or gift certificates.

Thank you for considering this opportunity to partner with us. If you have questions or need more information, please don't hesitate to reach out to Katie Tabeling at 404-285-5023 or tabeling.katie@gmail.com

Go Knights,
2025 Auction Committee

Saint Francis School is a non-profit entity according to IRS code section 501(c)3. Your gift is tax-deductible to the extent provided by law. *The Federal Tax ID number for Saint Francis School is 58-1266732.*
